PROPERTY DETAILS

This custom built, well maintained home featuring large family style kitchen, split bedroom open floor plan with vaulted ceiling great room, low maintenance bathrooms, large ceramic tile throughout home, front walkway and patio, ample natural light fills every room and the living space feels much larger than it's square footage. Centrally placed on a peaceful and private 1.14 acre lot with a large open front and rear yard. As an added feature there is an air conditioned 24' x 36' steel workshop, two storage sheds with 80 gal air compressor. Side yard is fenced to provide a secure outdoor space for your pet(s) to play. A/C was replaced in 2017, newer refrigerator and laundry all other appliances and roof are original. The automatic full acre sprinkler system is on a separate 100ft deep well. The covered patio provides a great spot for outdoor entertaining or relaxing. The property is tastefully landscaped and there's plenty of space to add a pool. No restrictions, bring your boat, RV and more.
