PROPERTY DETAILS

Unbelievable opportunity to own a fully renovated, contemporary home with fabulous golf course views in Delaire Country Club! In 2005, the home was torn down to the ground with only one wall remaining. This one-story, 4-bedroom, 4 ½ bath home is move-in ready! With all impact glass for full hurricane protection, volume ceilings and floor-to-ceiling windows, this open floor plan home is light, bright and inviting. The master bedroom has his & her baths with spacious walk-in closets. Outdoors, there are open & covered patio areas with a built-in BBQ, large pool, and sweeping golf course views. This is a great opportunity that won't last long!
