5 Beds

5 Baths

## PROPERTY DETAILS

This gorgeous home features five bedrooms, five baths, a three car garage and a heated pool. As you arrive at this home, you will notice the beautiful fountain and inside you'll enjoy the modern designer touches. The open kitchen with granite counters and upgraded appliances allows you to easily entertain your guests. The master bedroom is downstairs with access to the pool and the closets are outfitted with California closets. The family room features a beautiful floor to ceiling fireplace while the living room allows for plenty of sunlight. Home features wood and tile flooring throughout, while the spacious and bright loft is currently being used as an office. Upstairs bedrooms feature a jack and jill bathroom. As you step out onto the large patio, you'll notice the lavish landscaping that is new and has been created to allow for low maintenance in the future. The built in Jenn Air Grill as well as the expansive backyard is perfect for family gatherings or for enjoying the inspiring sunsets.
