## PROPERTY DETAILS

4920 Cherry Laurel Lane is a custom-built, breathtaking 4,700 square foot home. This brand new construction includes a 3-car garage, 5.1 baths, 4 bedrooms and an office. Each bedroom has an ensuite bathroom. The moment you find yourself standing on the brick paver driveway, you know this is your next home. The living area is illuminated with natural light through the brilliant 10' impact windows. The plan is modern, as it is both a split-bedroom and open-floor. The impeccable kitchen is fit for the Food Network itself. Adorned with superior Bosch appliance package, if you can dream it, you can make it in this kitchen! Spend the day cooking with the 36" natural gas cooktop and swing-door, double wall oven; or even stay in bed and have your coffee ready for you by the time you get to the kitchen, complete with a Sedona fridge and grill and an insulated sink perfect for keeping ice. While waiting for your burgers to get to that perfect medium-rare, you can enjoy the salt-water pool. Whether you prefer the sun shelf or spa, relaxation is guaranteed in this custom-heated and remote control activated spring. The master suite was built with the homeowner in mind. Privacy is a must with the his-and-her approach to the bathroom. This suite is equipped with an expansive, shared shower, and two capacious walk-in closets. You truly have to see it to believe it.
