PROPERTY DETAILS

Woodfield Manor features a sprawling waterfront estate pristinely situated on nearly one acre in the exclusive enclave of Princeton Estates – the crown jewel of Woodfield Country Club. This awe-inspiring 11,000 square foot residence recently underwent a complete renovation and boasts seven bedrooms, nine and a half baths, a professional grade kitchen, two full wet bars, a theatre, game room, office, den, six-car garage with dedicated golf cart entry and a state-of-the-art smart home automation system. The home features a breathtaking ground floor master suite with a dramatic fireplace, sitting room and incredible views of the lake. The piece de resistance is the set of jaw-dropping his-and-her bathrooms with immaculate and well thought out built-ins, complete with safes and islands.

The home has two separate wings including a private family wing and a separate entertainment wing with a game room and movie theatre with stadium seating.

Outside, a newly installed grand pool awaits, along with a spa, waterfall and fountain. The highly sought-after southeastern exposure lights up the rare and beautiful combination of both lake and golf views. In addition, there is also an expansive home garden and sport court, both waiting to be lovingly utilized by a new family.
