## PROPERTY DETAILS

Remarkably maintained and updated. Spacious open-air living with high ceiling throughout. This open floor plan has plenty of space to entertain 20 or more. An updated kitchen with solid wood cabinet, granite counters and large gas cooking top and double ovens is a chefs dream. Need to work from home. The den has a built-in desk, shelving, and cabinets. The HOA fees include high-speed internet to keep you connected. Outdoor living on the back screen porch has a built-in gas grill and cooking station with bar. Listen to the relaxing sounds of your beautiful fountain and pond while enjoying the view of the lake. The large master suite has two walk-in closets and third double closet. There is room for the king size bed and a sitting area with loveseat and chair. The second bedroom is a smaller master suite with its own walk-in closet and full bath. All furniture is available for purchase.
