PROPERTY DETAILS

7904 Villa D Este Way is a striking 3 BD/3 BA/1 HB + office home, with a 2-car + golf cart garage. Situated on the 7th hole, you get to truly enjoy the gem of Addison Reserve- its top rated golf course. Elegantly designed, the interior of the home is adorned with gorgeous crown-molding and coffered ceilings. A private lifestyle is easy to obtain with both the open layout of the home and each bedroom being ensuite. Storage space is aplenty, with vast cabinets and a larger-than-life pantry in the kitchen, built ins in the office and in the family room. The master is breathtaking, with custom ceilings and a picturesque view of the backyard. The capacious his-and-her closets and large linen closet in the master bath continue the trend of an expanse of storage.

In the backyard, you can enjoy the gorgeous view of the golf course from the pool, underneath the overhang or from lounging on the patio.

In August of 2019, the roof was replaced and the home was inspected for mold- showing no signs of mold. In addition, the gutters are completely new. The water heater was replaced in 2013. There are 2 A/C units, both of which are about 15 years
