PROPERTY DETAILS

In a sea of 4-bedroom listings that are priced for more dollars per square foot, your search is over. This is your diamond! The finishing touches alone make it much more valuable than what is being offered with new construction homes.

This is a magnificent, one-of-a-kind, Key West Style piece of South Florida Paradise. Perfect for large families or investors looking for rental income or Airbnb opportunities. Home boasts 6-large bedrooms, 3-bathrooms, and 2-car garage with oversized driveway that fits 6 cars. Pictures don't do this home justice, you must see to appreciate.
