PROPERTY DETAILS

This newly built unit is the epitome of modern luxury, featuring sleek porcelain tile throughout. The creative use of space is apparent, as the unit is designed to maximize living areas with a plethora of cabinets for optimal storage. All brand new Samsung appliances, new electrical panel, tankless water heater, unique and beautiful backsplash in the open kitchen with island, even a wine rack for the wine lovers out there. This unit has never been lived in, everything is in pristine condition and ready for you to move in and make it your own. Century Village offers an extensive amount of activity options such as a large clubhouse that serves as the hub of the community. The clubhouse is the perfect place for residents to gather and socialize, and the community includes several pools, billiards, a theater, and fitness centers. Additionally, there are tennis courts, shuffleboard courts, a restaurant, and a library, among countless other amenities.
