## PROPERTY DETAILS

Located in the Bayshore/Prima Vista area of Port St Lucie on an interior lot with fenced yard, this lovely 3/2/1 home is ready for you to make it your own! Kitchen has been recently upgraded with white shaker cabinets, granite countertops, deep soft-close drawers, and spacious pantry. There is amazing usable space in the oversized interior laundry room for added storage. During their ownership, the sellers have updated all of the outlets and switches, replaced the A/C (2023), added recessed lighting, and upgraded to a tankless water heater. If you like popcorn, you'll have to go to the movies because they've done you a favor and REMOVED ALL THE POPCORN CEILINGS! Beautiful waterproof vinyl flooring in living area and bedrooms and tile in baths and laundry room. The bedrooms are nicely sized and have generous closet space. On the exterior, there is an extra culvert out front to give you more parking capacity. Mature trees give the yard added shade. The home is on City water, but there's still a well that you can add a pump to and use for watering your grass. Call and schedule your private showing today!
